Stinger Parts & Service Bulletin

Seedbox Upgrade Kits

These retro upgrade kits include a stainless-steel seed gate, UHMW adhesive strip, new hardware and spacers. These kits will increase performance and longevity as well as decrease the likelihood of seed gate jams.

Unit	Serial Number	Kit Part Number	MSRP
SB30	SB30-00001 to SB30-60532	95-3000	\$150.00
SB36 (Gen 2)	SB36-30001 to SB36-60039	95-3600	\$175.00

* Please note these upgrades became standard on SB30-60533 and SB36-60040 and higher.

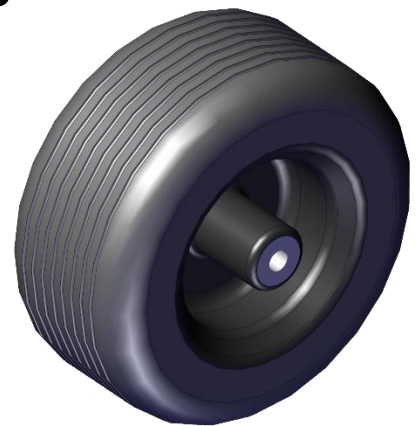

Stinger Flat-Free Front Caster Wheel QA3000 & QA3600

P/N 95-3528 Flat-Free Kit - \$155 Retail

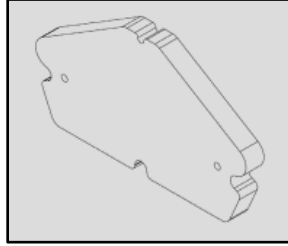

Kit contains parts for one caster

Tire, Rim, Taper Bearings, Grease Zerk,
Axle Shaft, Axle Shaft Nut, Spacers

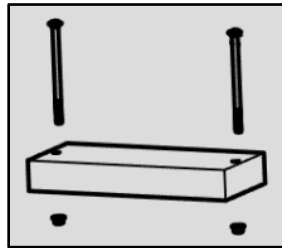

* Please note: Previous part number 90-0430.
Flat Free Wheel increases the weight of the machine
by 18 lbs and each unit requires 2 kits.

Quad AER Weight Kits

The NEW Stinger 20 lbs weight kit includes 20 lbs weight and hardware for the QA3000. The kit provides additional nose weight while only increasing weight stack length by ½” for improved ground clearance over the 50 lbs kit. Pairs well with Run Flat Tires.

The Stinger 50 lbs weight kit includes 50 lbs weight and hardware for the QA3000 and QA3600. The kit provides additional nose weight.

Unit	Serial Number	Kit Part Number	Description	MSRP
QA3000	QA3000-00001 to current	95-0020	20 lbs Weight Kit	\$100.00
QA3000	QA3000-00001 to current	95-0050	50 lbs Weight Kit	\$168.00
QA3600 Gen2/3	QA3600-30000 to current	95-0050	50 lbs Weight Kit	\$168.00
