Sign up for our in-person SnowEx Training! This will be an abbreviated Factory assisted STEP Training with some "hands-on" plow electrical & hydraulic training. We will also cover Spreaders and briefly talk about Liquids. NEW this year is enhanced electrical, more vehicle specific bulletins, and UTV product callout along with new SnowEx items.

To ensure a spot for a class, please complete the registration form NOW!

Registration is limited, first come, first served! (Cobleskill is very limited in size)

Please register no later than October 15th, 2025.

Class time is 8:30am - 3:30pm. Please arrive between 8:00am & 8:15am.

THE GOOD STUFF!
